Dear Parent:

*Ever notice the look on your baby's face when they learn something new through their own discovery? These self-accomplished moments are a parent's greatest reward. To help fulfill them, VTech® created the **Infant Learning** series of toys.*

*These unique interactive learning toys directly respond to what children do naturally – play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s **Infant Learning** toys develop baby's mental and physical abilities by inspiring, engaging and teaching.*

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®

INTRODUCTION

Thank you for purchasing the **VTech® Explore & Learn Mat™** learning toy.

The **VTech® Explore & Learn Mat™** is an interactive floor toy for babies from birth and up. This mat is specially designed to grow with baby from tummy time play to sitting to finally crawling. The soft mat surprises baby with fun responses when they press on any of the five animal sensors. The brightly colored activity panel has a variety of manipulative features that offer fun interactive songs, sounds, phrases and flashing lights. An assortment of songs and music provide many opportunities to engage in sing-along fun.

INCLUDED IN THIS PACKAGE

- One electronic activity panel
- One tree
- One ladybug
- One butterfly
- One soft fabric mat
- One instruction manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.
3. Install 3 new 'AA' batteries following the diagram inside the battery box.
4. Replace the battery cover and tighten the screw to secure.

BATTERY NOTICE

- Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
- Do not mix old and new batteries.
- Do not mix batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Remove the batteries from the equipment when the unit will not be used for an extended period of time.
- Always remove exhausted batteries from the equipment.
- Do not dispose of batteries in fire.
- Do not attempt to recharge ordinary batteries.
- The supply terminals are not to be short-circuited.
- Only batteries of the same and equivalent type as recommended are to be used.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

With the VTech® Explore & Learn Mat™, safety comes first.

To ensure your child's safety, please only assemble this product by an adult. Please ensure that the tree, ladybug, butterfly are securely locked into position to avoid injury.

ASSEMBLY INSTRUCTIONS

1. Place the activity panel upright on the floor.

2. Insert the tree into the hole located in the center of the activity panel. Once the tree has been attached, it cannot be removed.

3. Insert the butterfly onto the sliding bracket of the activity panel. Once the butterfly has been attached, it cannot be removed.

4. Insert the ladybug into the side hole of the activity panel. Once the ladybug has been attached, it cannot be removed.

5. Slide the electronic mat into the opening on the top of the fabric mat. Connect the fabric mat to the panel by hooking the fabric loop onto the hook on the back of the activity panel. Attach the velcro on the fabric mat to the electronic panel and secure.

Please ensure all parts are securely fastened to the activity panel.

- The fabric mat is machine washable. Please follow the washing instructions located on the attached tag.

PRODUCT FEATURES

1. ON/OFF/MODE SWITCH

To turn the unit **ON**, slide the **ON/OFF/MODE SWITCH** to the **LEARNING MODE** (🐞) position or to the **MUSIC MODE** (🎵) position. To turn the unit **OFF**, slide the **ON/OFF/MODE SWITCH** to the **OFF** (●) position.

2. MODES OF PLAY

The two modes of play include learning and music. Slide the mode selector to choose a mode of play.

3. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Explore & Learn Mat™** will automatically power-down after approximately 30 seconds without input. The unit can be turned on again by twisting the ladybug, sliding the butterfly or pressing the piano keys.

ACTIVITIES

1. Slide the **on/off switch** to turn the unit on. Slide the **mode selector switch** to choose a mode of play. You will hear a song and/or a friendly phrase depending on the selected mode. The lights will flash with the sounds.

2. Slide the **butterfly**, touch the **tree** or twist the **ladybug** to learn about colors, shapes, numbers and fun sounds in the learning mode. In the music mode, you will hear a variety of sounds, songs, and melodies. The lights will flash with the sounds.

3. Press the **light-up piano keys** in the learning mode to hear individual piano notes. In the music mode, a melody will play one note at a time. The melody will resume normal play when the piano keys are no longer being pressed. The lights will flash with the sounds.

4. Press the **sensors** on the mat to learn animal names and sounds, animal movements and melodies depending on the selected mode. Press a sensor while a melody is playing to hear the related animal sound play over the melody. The lights will flash with the sounds.

MELODY LIST

1. Frere Jacques
1. BINGO
2. Twinkle, Twinkle, Little Star
3. Oats, Peas, Beans and Barley Grow
4. A-Tisket, A-Tasket
5. The Bear Went Over the Mountain
6. Froggie Went A-Courtin'
7. Polly Put the Kettle On
8. Looby Loo
9. Sing a Song of Sixpence
10. Ring Around the Rosy
11. Mary, Mary, Quite Contrary
12. Flight of the Bumblebee

SUNG SONG LYRICS

SONG 1 (to the tune of Frere Jacques)

Hurry hurry, hurry hurry,
Come and play, with us today.
Birdies, bugs and bunnies,
Playing songs and fun sounds.
Join along, sing some songs.

SONG 2 (to the tune of BINGO)

There are three birdies in the tree,

They're singing all together.

Chirp, chirp, chirp, chirp, chirp!

Chirp, chirp, chirp, chirp, chirp!

Chirp, chirp, chirp, chirp, chirp!

They sing out happily.

SONG 3 (to the tune of Oats, Peas, Beans and Barley Grow)

One-two-three-four-five and six

Spots are on the ladybug

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

IMPORTANT NOTE:

Creating and developing **Infant Learning** products is accompanied by a responsibility that we at **VTech**® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment

generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

Caution: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ices-003.
Cet appareil numérique de la classe b est conforme à la norme nmb-003 du Canada.
