Dear Parent,

At VTech[®], we know that in order to effectively reach kids, today's learning tools have to be plugged into the fast-paced world around them. That's why we created the Grade School Learning Series - an engaging set of stylized, interactive computers specially designed to get grade-school kids up to speed with their fast-paced, tech-savvy world.

Every product in the Grade School Learning Series covers a wide range of school basics - math, language, social studies, science, and even an intro to basic Spanish. Activities are presented in a fast-paced, arcade-game style that kids will recognize and enjoy. Each learning machine is loaded with hi-tech features such as word processors, electronic address books, plug-in accessories, and PC uplinks - tools that go hand-in-hand with the way kids learn, play and use information. And of course, each laptop is designed to travel easily along with a busy grade-schooler.

*With the Grade School Learning Series, kids can access a way to learn that closely matches the way they already live and play. We thank you for trusting VTech[®] with the important job of helping your child learn and succeed. We hope to help your child discover that **"It's Cool to be Smart!"***

Sincerely,

Your Friends at VTech[®]
