Dear Parent,

Ever notice the look on your baby's face when they learn something new through their own discovery? These self-accomplished moments are a parent's greatest reward. To help fulfill them, VTech® created the **Infant Learning**® series of toys.

These unique interactive learning toys directly respond to what children do naturally – play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s **Infant Learning**® toys develop baby's mental and physical abilities by inspiring, engaging and teaching.

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Julia Fitzgerald
Vice President, Marketing
VTech Electronics, NA

INTRODUCTION

Thank you for purchasing the **VTech® Light-Up Learning Camera™** learning toy!

The **Light-Up Learning Camera™** uses fun phrases and upbeat melodies to encourage your toddler to develop their role-play skills while learning and playing. Learn numbers and objects as they are displayed on the fun LED screen. Entertaining animations will encourage your toddler to scroll through the images and numbers to learn and interact with the camera. Additional push buttons and a turning ring all support active and imaginative play. It's picture time! 1-2-3, smile for me!

INCLUDED IN THIS PACKAGE

- One VTech® Light-Up Learning Camera™
- One instruction manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the unit. Use a coin or a screwdriver to loosen the screw.
3. Install 3 new 'AA' batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure the battery cover.

BATTERY NOTICE

- Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
- Do not mix old and new batteries.
- Do not mix batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).

- Remove the batteries from the equipment when the unit will not be used for an extended period of time.
- Always remove exhausted batteries from the equipment.
- Do not dispose of batteries in fire.
- Do not attempt to recharge ordinary batteries.
- The supply terminals are not to be short-circuited.
- Only batteries of the same and equivalent type as recommended are to be used.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

PRODUCT FEATURES

1. ON/OFF/MODE SELECTOR SWITCH

To turn the unit **ON**, slide the **ON/OFF/MODE SELECTOR SWITCH** to the **NUMBER MODE** (🎵) or the **PLAY MODE** (🎮) position. To turn the unit **OFF**, slide the **ON/OFF/MODE SELECTOR SWITCH** to the **OFF** (off) position.

2. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Light-Up Learning Camera™** will automatically power-down after approximately 45 seconds without input. The unit can be turned on again by pressing any button.

ACTIVITIES

1. Slide the **on/off/mode selector switch** to turn the unit on and select a mode. You will hear a song and a welcoming phrase. Select the number mode to learn numbers, listen to sing along songs and hear encouraging phrases. Select the play mode to learn objects and see them on the screen. You will hear encouraging phrases, sing along songs and melodies. An animation will appear on the light-up screen with each sound.

2. Press the **forward** and **backward buttons** at the back of the camera to view animations of numbers or objects on the screen. Each animation will have a fun movement and short tune or sound effect for your toddler's amusement. An animation will appear on the light-up screen with each sound.

3. Press the **shutter button** to hear a camera sound effect and encouraging phrases. An animation will appear on the light-up screen with each sound.

4. Press the **smiley face button** to hear fun phrases and a funny sound effect. An animation will appear on the light-up screen with each sound.

5. Press the **flash button** to hear encouraging phrases, sound effects and short tunes. An animation will appear on the light-up screen with each sound.

6. Twist the **turning ring** to hear sing along songs, melodies and fun sound effects. An animation will appear on the light-up screen with each sound.

7. Flip the **light-up screen** up and down, the sensor will detect the position of the screen and ensure the animation is the right way for viewing.

MELODY LIST

1. Alphabet Song
2. Jack Be Nimble
3. Little Boy Blue
4. Little Jack Horner
5. Polly Put the Kettle On
6. Polly Wolly Doodle
7. This Old Man

SONG LYRICS

SONG 1 (to the tune of “Hot Cross Buns”)

One, two, three,
Four, five, six,
You can count along with me,
It’s fun you’ll see!

SONG 2 (to the tune of “Humpty Dumpty”)

Can I take some pictures with you?
Click the button to see what’s in view.
I can take pictures of all of your friends.
And all of the other fun things we see!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

For information on this product's warranty, please call **VTech**® at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada.

IMPORTANT NOTE:

Creating and developing **Infant Learning** products is accompanied by a responsibility that we at **VTech**® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause

harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ices-003. Cet appareil numérique de la classe b est conforme à la norme nmb-003 du Canada.

Caution: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
