Dear Parent,

At VTech®, we know that a child's imagination is a truly wonderful thing and needs to be developed and nurtured. That's why we created the ***Disney Princess electronic learning series*** of interactive learning toys to stimulate little girls' imaginations, while also teaching vital preschool concepts such as the alphabet, numbers, shapes, colors and objects.

Through the use of unique technology and engaging child-directed role-play scenarios, ***Disney Princess*** characters magically come to life to guide children through learning activities. These engaging characters foster children's critical reasoning skills, enhance their fine motor skills and engage them in exciting role-play activities for endless hours of learning fun.

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting At VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®
