Dear Parent,

Welcome to the world of **Go! Go! Smart Wheels™**! We're excited you've decided to ride along with us and explore all that **Go! Go! Smart Wheels™** has to offer. These toys have been designed to give your child a thrilling learning experience with hours and hours of fun as well.

**Go! Go! Smart Wheels™** features vehicles that interact with your child by lighting up, singing and talking, while teaching your child letters and vehicle names (each sold separately). There are other surprises in store, too! With our innovative **SmartPoint™** technology, available exclusively on **Go! Go! Smart Wheels™** playsets (each sold separately), your child will smile as they hear **SmartPoint™** vehicles respond to each unique **SmartPoint™** location with singing, sound effects and fun phrases.

Our **Go! Go! Smart Wheels™** playsets also feature buttons, gears and other mechanical features to encourage the development of your child's fine motor skills. Many of the playsets also have tracks that can be arranged in endless ways, stimulating your child's creativity. In addition, many of the **Go! Go! Smart Wheels™** playsets connect to other playsets in the collection, so there's no end to what your child can do!

With **Go! Go! Smart Wheels™**, it's playtime with miles of learning!

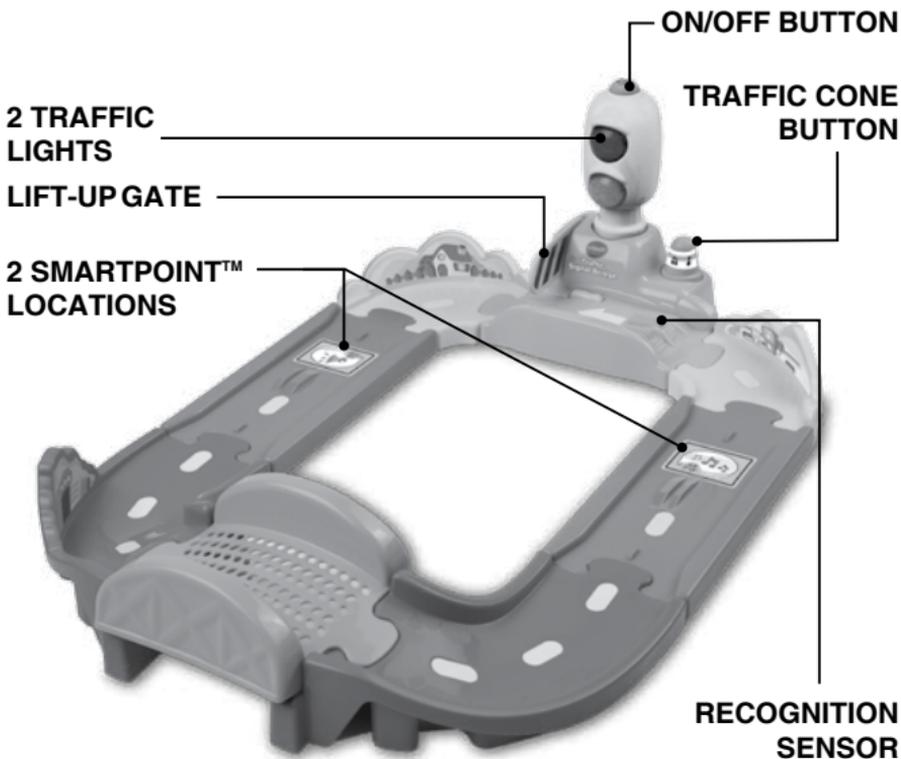

Sincerely,  
Your friends at **VTech®**

# INTRODUCTION

Thank you for purchasing the **VTech® Go! Go! Smart Wheels™ Traffic Signal Bridge** learning toy!

This playset comes with one traffic light, six track pieces, and a bridge that can be reconfigured and connected with other **Go! Go! Smart Wheels™** playsets. The traffic light teaches colors, traffic rules, and opposites so your child can have a fun and educational experience through pretend-play. For added interactivity, the **Traffic Signal Bridge** also recognizes **Go! Go! Smart Wheels™** vehicles (sold separately).

# INCLUDED IN THIS PACKAGE

- One VTech® Go! Go! Smart Wheels™ Traffic Signal Bridge.

six track pieces

1 bridge

1 traffic light

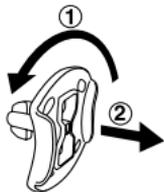

- One user's manual

**WARNING:** All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

**ATTENTION !** Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches et étiquettes. Ils ne font pas partie du jouet.

**NOTE:** Please keep this instruction manual as it contains important information.

**Unlock the packaging locks:**

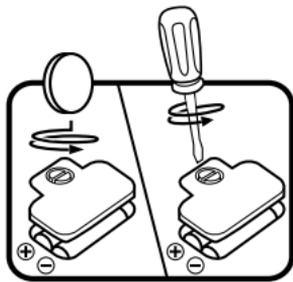

- ① Rotate the packaging locks 90 degrees counter-clockwise.
- ② Pull out the packaging locks.

# GETTING STARTED

## BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the **Go! Go! Smart Wheels™ Traffic Signal Bridge**. Use a coin or a screwdriver to loosen the screw.
3. Install 2 new 'AA' (LR6/AM-3) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

## BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

# PRODUCT FEATURES

## 1. ON/OFF BUTTON

To turn the unit **ON**, press the **ON/OFF BUTTON**. To turn the unit **OFF**, press and hold the **ON/OFF BUTTON** for 0.5 seconds.

## 2. TURNING LIGHTS

The traffic light can be turned 180 degrees. You will hear a click sound when it is turned to the correct position in front of the gate.

## 3. AUTOMATIC SHUT-OFF

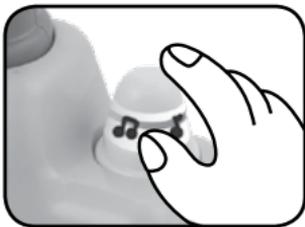

To preserve battery life, the **VTech® Go! Go! Smart Wheels™ Traffic Signal Bridge** will automatically power-down after approximately 45 seconds without input. The unit can be turned on again by pressing any button except when pressing the recognition sensors.

## ACTIVITIES

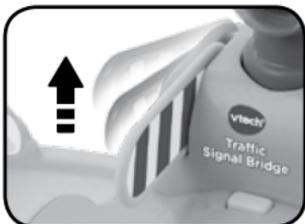

1. Press the **ON/OFF BUTTON**. You will hear a fun sing-along song. The lights will flash with the sounds.
2. Press the red or green traffic light buttons to learn colors and traffic rules. The lights will flash with the sounds.

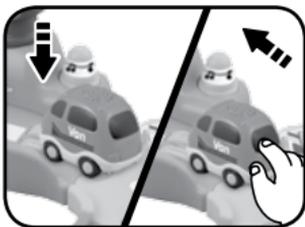

3. Press the traffic cone button to hear music and sing-along songs. The lights will flash with the sounds.

4. Flip the gate to hear driving phrases and sounds. The lights will flash with the sounds.

5. Push a vehicle over the recognition sensor to hear a greeting specific to the vehicle. The lights will flash with the sounds. (The vehicle must be facing the same direction as the arrow.)

6. Press the button near the recognition sensor to hear fun sounds and short tunes. The lights will flash with the sounds.

7. Push a vehicle over a **SmartPoint™** to hear the vehicle say a related phrase or play a sound effect. (**SmartPoint™** vehicles only. Each sold separately).

8. If there is no input to the unit after approximately 4 seconds, you will hear a friendly voice. If there is still no input after another 4 seconds, you will hear another friendly voice. If there is still no input after 4 seconds, you will hear another sing-along song. If there is still no input after a further 4 seconds, then the unit will automatically power down.

## **MELODY LIST**

1. The Wheels on the Bus
2. I've Been Working on the Railroad
3. London Bridge
4. Row, Row, Row Your Boat
5. Skip to My Lou
6. Old King Cole
7. Jack & Jill
8. Hot Cross Buns
9. She'll Be Coming 'Round the Mountain

## **SUNG SONG LYRICS**

Driving on the road,  
Travelling on our way.  
Obey the traffic lights.  
Drive over the bridge.  
Cruise around all day!

## **CARE & MAINTENANCE**

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

# TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with an entire set of new batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

For information on this product's warranty, please call **VTech**® at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada.

## IMPORTANT NOTE:

Creating and developing **Infant Learning** products is accompanied by a responsibility that we at **VTech**® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, with any problems and/or suggestions that you might have. A service representative will be happy to help you.

## Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio

communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.

CAN ICES-3 (B)/NMB-3(B)

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
