THE LEARNING TABLET

InnoTAB®

Dear Parent,

At **VTech**®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your kids feel the same way. With that in mind, we developed **InnoTab**®, a multi-function tablet just for kids that brings all the magic of Mom's and Dad's tablets into a fun-filled learning experience that fits their active lifestyles.

InnoTab® is the next generation of learning toys for children that has a rich library of cartridges and software with interactive animated e-Books, learning games, creative activities along with a wide variety of additional apps. It features a brilliant color LCD touch screen, a tilt-sensor for game control, as well as a USB port for downloads, SD card slot for memory expansion and a headphone jack, all housed in a sleek, durable and compact design for easy portability.

When playing with **InnoTab**®, kids can look, listen, touch and tilt their way through activities to discover a world of fun whenever they want and wherever they go. Through interactive play, your child will develop skills in reading, math, social studies, science, music, creativity, and more—which we know is important to you.

At **VTech**®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at **VTech**®

INTRODUCTION

The Pixar Store is open, and it's time to play! Come in and explore all the fun games and activities featuring your favorite characters from Toy Story, Finding Nemo, Monsters University, and The Incredibles!

INCLUDED IN THIS PACKAGE

1 InnoTab® cartridge – *Disney/Pixar: Pixar Play*

1 InnoTab® cartridge user's manual

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

ATTENTION: Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches et étiquettes. Ils ne font pas partie du jouet.

Note: Please keep the user's manual as it contains important information.

GETTING STARTED

STEP 1: Insert the InnoTab® Cartridge

Make sure the unit is turned off. Insert the InnoTab® cartridge firmly down into the cartridge slot located on the back of the unit and push until it clicks into place as shown in the below image.

STEP 2: Select the Cartridge Icon

Touch the cartridge icon on the **InnoTab®** desktop.

Note: Your **InnoTab®** desktop may look slightly different from the image below, depending on which version of **InnoTab®** you own.

STEP 3: Choose How You Want to Play

Touch an object in the Pixar Store to choose an activity.

E-Book: Read or listen to the interactive e-Book.

Learning Games: Touch a movie poster to play a learning game.

Spaceship Crane Game: Play this game to collect toys for the toy shelf.

Toy Shelves: You can see all the toys you've collected here.

Photo Fun: Take fun pictures of your friends and yourself.

NOTE: If your version of **InnoTab®** has a built-in camera, you'll see a camera in the Pixar Store.

If your version of **InnoTab®** does not have a built-in camera, the camera will not be available.

THE HARD KEYS

HOME

Exit the current activity and return to the **InnoTab®** desktop.

HELP BUTTON

Replay instructions, or ask for a hint.

SETTINGS

Music On/Off

To turn the background music on or off, touch the **speakers** in the cartridge menu.

NOTE: If your version of **InnoTab®** has a built-in camera, you'll see a camera in the Pixar Store.
If your version of **InnoTab®** does not have a built-in camera, the camera will not be available.

Levels

A level selection menu will appear before some games. Touch Easy or Difficult to set the difficulty level for that game.

ACTIVITIES

E-Book

Menu Page

The e-Book menu offers the following options:

- **Read the Story:** Touch this icon to read the story.
- **Story Dictionary:** Learn new vocabulary in the Story Dictionary.
- **Settings:** Use the Settings menu to turn the background music or the vocabulary highlight on or off.

Index Page

After touching the “Read the Story” icon, you will see an index page. You can start the story from the beginning or choose any page to start reading. You can also touch the “Whole Story” icon to read the complete story from the beginning.

Story Page

In each story page, touch anywhere on the screen to stop the story narration and enter **Free Play**. When the story narration has finished, you will enter **Free Play** automatically.

In **Free Play**, you can touch the words one by one to read the story at your own pace, touch highlighted vocabulary words to hear their definitions, or touch images in the art to hear fun voices and sounds. If you don't touch the screen for a while, the story narration will continue automatically to the next page.

Flick the screen left or right or press the left or right arrow to play the previous or next page.

To listen to the story narration again, touch the **Replay** icon  on the screen.

To go back to the index page, touch the **Index** icon  on the screen.

Story Dictionary

After touching the “Story Dictionary” icon, you will see a selection page. Touch a vocabulary word to hear its definition.

The Pixar Store

Touch the items in the Pixar Store to explore them and see what surprises you can find. Touching some special items will open games and activities:

- Touch the movie posters to play learning games. If you do well, you'll earn coins that can be used to play the Spaceship Crane Game.
- Touch the book to open up The Incredibles e-Book.
- Touch the camera to open up the Photo Fun activity.
- Touch the toy claw machine to play the Spaceship Crane Game and win toys for your toy collection.
- Touch the toy shelves to see the toys you've won.

Learning Games

Woody to the Rescue

Help Woody rescue a kidnapped alien from the clutches of the evil Dr. Porkchop! Follow the phonics clues and find the correct letters to open the toy boxes. Then, use the items you find to advance along the path.

Curriculum: Phonics, Missing Letters

Buzz's Intergalactic Showdown

Buzz has invaded Emperor Zurg's intergalactic headquarters! Choose the missing letters to help Buzz fight off the Zurgbots and defeat Zurg!

Curriculum: Missing Letters, Spelling

Nemo's Neighbors

Nemo goes for a swim and meets lots of friends along the way. Guide Nemo past obstacles and collect the question marks to greet friends.

Curriculum: Vocabulary, Beginning Letters, Spelling

Dory's Memory Challenge

Nemo is trying to help Dory improve her memory by playing a game with the moonfish. Remember where the fish are, then find the correct groups.

Curriculum: Memory, Shapes

Meet the New Student

Welcome to Monsters University! In this game, you can create your very own monster. Then, add your monster to a campus scene!

To create a monster, first you'll choose a body type and take a photo to use as your monster's face. Next, choose a category to change the monster's color, pattern, face, head, hands, or accessories. Test the monster in the scare simulator when you're done!

NOTE: If your version of **InnoTab®** has a built-in microphone, you'll see the scare simulator.

If your version of **InnoTab®** does not have a built-in microphone, the scare simulator will not be available.

Once you've made your monster, go to the Fearbook to add your monster to fun scenes that show the MU campus life. Choose one of five scenes, and drag the stickers over to add them to the page.

Curriculum: Creativity

Spaceship Crane Game

Collect coins by playing the learning games. Then, play this game to win toys.

Note: You cannot win coins by playing the Monsters University game.

Toy Shelves

The toys you collect from the Spaceship Crane Game will be displayed here. Once you collect all of the toys on each shelf, a special mini game will be unlocked. Press the "Mini Game" button to start the game and try to find all of the hidden items within the time limit.

Photo Fun

In this activity, you can take photos with fun Pixar stickers and frames.

NOTE: If your version of **InnoTab®** has a built-in camera, you'll see a camera in the Pixar Store.
If your version of **InnoTab®** does not have a built-in camera, the camera will not be available.

ONLINE FEATURES

Register online to keep track of your child's learning journey with personalized recommendations. You can also connect to our **Learning Lodge™** to download great apps, games, e-Books and more!

If you have not already installed the **InnoTab®** version of the **Learning Lodge™** software on your computer, go to www.vtechkids.com/download to download and install it.

CARE & MAINTENANCE

1. Keep this **InnoTab®** cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. **NEVER** try to dismantle it.
4. Always keep this **InnoTab®** cartridge away from water.

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colors or patterns. While **InnoTab® The Learning Tablet** does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation or convulsions, discontinue use immediately and consult your physician. Please note that focusing on an LCD screen at close range and handling video game controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

TROUBLESHOOTING

Please note that if you try to insert or remove an **InnoTab®** cartridge without first turning the unit **OFF**, you may experience a malfunction. If this happens, and the unit does not respond to pressing the **ON/OFF** button, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.

TECHNICAL SUPPORT

If you have a problem that cannot be solved by using this manual, we encourage you to visit us online or contact our Consumer Services Department with any problems and/or suggestions that you might have. A support representative will be happy to assist you.

Before requesting support, please be ready to provide or include the information below:

- The name of your product or model number (the model number is typically located on the back or bottom of your product).
- The actual problem you are experiencing.
- The actions you took right before the problem started.

NOTE:

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRABLE OPERATION.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAN ICES-3 (B)/NMB-3(B)

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
