Dear Parent,

At VTech®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your kids feel the same way. With that in mind, we developed InnoTab®, our first multi-function tablet just for kids that brings all the magic of Mom’s and Dad’s tablets into a fun-filled learning experience that fits their active lifestyles.

InnoTab® is the next generation of learning toys for children that has a rich library of cartridge software with interactive animated e-books, learning games, creative activities along with a wide variety of additional apps. It features a 5” brilliant color LCD touch screen, a tilt-sensor for game control, as well as a USB port for downloads, SD card slot for memory expansion and a headphone jack, all housed in a sleek, durable and compact design for easy portability.

When playing with InnoTab®, kids can look, listen, touch, and tilt their way through activities to discover a world of fun whenever they want and wherever they go. Through interactive play, your child will develop skills in reading, math, social studies, science, music, creativity, and more—which we know is important to you.

At VTech®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at VTech®
INTRODUCTION

Come spend a day with Hello Kitty and her friends. But it’s not just any day - it’s Hello Kitty’s birthday! Read the e-book "Hello Kitty’s Surprise" to find out how Hello Kitty spends her birthday, or join in the celebration and play one of three party-themed, touch-screen games. You can also use Hello Kitty themes and designs to make your own fun creations in one of the creative activities.

INCLUDED IN THIS PACKAGE

1 InnoTab® cartridge – Hello Kitty - A Day with Hello Kitty and Friends
1 InnoTab® cartridge user’s manual

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child’s safety.

ATTENTION: Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d’emballage tels que rubans adhesives, feuilles de plastique, attaches et etiquettes, ils ne font pas partie du jouet.

Note: Please keep the user’s manual as it contains important information.

GETTING STARTED

STEP 1: Insert the InnoTab® Cartridge

Make sure the unit is turned off. Insert the InnoTab® cartridge firmly down into the cartridge slot located on the back of the unit and push until it clicks into place as shown in the below image.
STEP 2: Select the Cartridge Icon

Touch the cartridge icon on the InnoTab® desktop.

Note: Your InnoTab® desktop may look slightly different from the image at right, depending on which version of InnoTab® you own.

STEP 3: Choose How You Want to Play

There are three categories of play: Reading, Learning Games and Creativity.

Touch an icon to choose.

Reading: Read or listen to the e-book while watching the animations.

Learning Games: Play three games that focus on specific learning skills.

Creativity: Create something new with the interactive creativity activities.

Note: If your version of InnoTab® has a built-in camera, a camera activity will appear in the cartridge menu as a third Creativity activity. If your version of InnoTab® does not have a built-in camera, this activity will not be available.

THE HARD KEYS

HOME
Exit the current activity and return to the InnoTab® desktop.

HELP BUTTON

**ACTIVITIES**

**Reading**

**Index Page**

After touching the e-book icon, you will see an index page. You can start the story from the beginning or choose any page to start reading.

If you want to learn more about playing with the e-book, touch **How to Play**. You can also switch the e-book’s vocabulary word highlights on or off by touching the **Vocabulary Highlight On/Off** icon.
Story Page

In each story page, touch anywhere on the screen to stop the story narration and enter Free Play. When the story narration has finished, you will enter Free Play mode automatically.

In Free Play, you can touch the words one by one to read the story at your own pace, touch highlighted vocabulary words to hear their definitions, or touch images in the art to see animations and hear fun voices and sounds. If you don’t touch the screen for a while, the story narration will continue automatically to the next page.

Flick the screen left or right to play the previous or next page.

To listen to the story narration again, touch the Replay icon on the screen.

To go back to the index page, touch the Index icon on the screen.

If you have not already installed the InnoTab® version of the Learning Lodge Navigator™ software on your computer, go to www.vtechkids.com/download to download and install it.

**CARE & MAINTENANCE**

1. Keep the InnoTab® cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. NEVER try to dismantle it.
4. Always keep the InnoTab® cartridge away from water.

**WARNING**

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colors or patterns. While InnoTab® The Learning App Tablet does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your physician. Please note that focusing on an LCD screen at close range and handling touch screen or g.sensor controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

**TROUBLESHOOTING**

Please note that if you try to insert or remove an InnoTab® cartridge without first turning the unit OFF, you may experience a malfunction. If this happens, and the unit does not respond to pressing the ON/OFF buttons, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.
