Dear Parent:

Ever notice the look on your baby’s face when they learn something new through their own discovery? These self-accomplished moments are a parent’s greatest reward. To help fulfill them, VTech® created the Infant Learning series of toys.

These unique interactive learning toys directly respond to what children do naturally—play! Using innovative technology, these toys react to baby’s interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®’s Infant Learning toys develop baby’s mental and physical abilities by inspiring, engaging and teaching.

At VTech®, we know that a child has the ability to do great things. That’s why all of our electronic learning products are uniquely designed to develop a child’s mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child’s safety.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the bottom of the unit. Use a coin or screwdriver to loosen the screw.
3. Install 2 new “AA” (LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure the battery cover.

BATTERY NOTICE

• Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
• Do not mix old and new batteries.
• Do not use batteries of different types.
• Remove exhausted or new batteries from the equipment when the unit will not be used for an extended period of time.
• Do not dispose of batteries in fire.
• Do not attempt to recharge ordinary batteries.
• The supply terminals are not to be short-circuited.
• Only batteries of the same and equivalent type as recommended are to be used.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

PRODUCT FEATURES

1. ON/OFF/VOLUME CONTROL SWITCH
   To turn the unit ON, slide the ON/OFF/VOLUME CONTROL SWITCH to the LOW VOLUME (●) or the HIGH VOLUME (▲) position. To turn the unit OFF, slide the ON/OFF/VOLUME CONTROL SWITCH to the OFF (●) position.

2. MODES OF PLAY
   The two modes of play include LEARNING and MUSIC.

3. AUTOMATIC SHUT-OFF
   To preserve battery life, the VTech® Discovery Nursery Farm™ will automatically power-down after several minutes seconds without input. The unit can be turned on again by pressing any key.
ACTIVITIES

1. Slide the on/off/volume control switch to turn the unit on. You will hear a sung song followed by an inviting phrase. The light will flash with the sound.

2. Turn the book page to Old MacDonald Had a Farm to activate the learning mode. Turn the book page to Mary Had a Little Lamb to activate the music mode. You will hear a sung song and short phrase to introduce the mode. The sun will flash with the sounds.

3. Press the animal buttons to learn about animals and their sounds in the learning mode. In the music mode, you will hear a variety of melodies. Move the animals while a melody is playing to hear the animal sing along with the melody. Move the same animal again to remove the animal sound from the melody. The sun will flash along with the sound.

4. Rotate the light-up sun in the learning mode to hear fun sounds and phrases. In the music mode, you will hear pre-programmed melodies. If a melody is playing and the sun is rotated, you will hear a magical sound play over top of the melody. The sun will flash along with the sound.
5. Press the **piano keys** in the learning mode to learn about colors and numbers. In the music mode, press the piano keys to hear individual music notes. If a melody is playing and the piano keys are pressed, the melody will be played one note at a time until the melody is over. The sun will flash along with the sound.

6. Spin the **roller** to hear a duck related phrase and sounds in the learning mode and melodies in the music mode. In the music mode, if a melody is playing, spin the roller to increase the tempo of the melody. The sun will flash along with the sound.
