Dear Parent,

Welcome to the world of Go! Go! Smart Animals™! We’re excited you’ve decided to go on an adventure with us and explore all that Go! Go! Smart Animals™ has to offer. These toys have been designed to give your child a thrilling learning experience with hours of fun.

Go! Go! Smart Animals™ features a collection of animals that interact with your child by lighting up and playing music and sounds while teaching your child letters and animal names*. But that’s only the beginning of the learning excitement! When your child interacts with our innovative SmartPoint™ technology, they will love hearing the animals respond to each SmartPoint™ location on Go! Go! Smart Animals™ and Go! Go! Smart Wheels® playsets* with different phrases, cheerful melodies, sing-along songs or sound effects.

Additionally, our Go! Go! Smart Animals™ playsets include tracks that can be arranged in endless ways and can be connected to other playsets including Go! Go! Smart Wheels® to stimulate your child’s creativity. The playsets also feature buttons, gears and other manipulative elements to encourage the development of your child’s fine motor skills.

With Go! Go! Smart Animals™, playtime goes wild with learning!

Sincerely,

Your friends at VTech®

* SmartPoint™ animals and vehicles respond to SmartPoint™ locations with different phrases, music or fun sound effects. Each sold separately.

**ASSEMBLY INSTRUCTIONS**

With the VTech® Go! Go! Smart Animals™ Deluxe Track Set, safety comes first. To ensure your child’s safety, adult assembly is required.

1. Attach the swing archway to the swing base. You will hear a “click” sound to indicate the pieces are secure. Once the pieces are connected, they cannot be detached.

2. Attach the swing bracket to the SmartPoint™ swing. You will hear a “click” sound to indicate the pieces are secure. Once the swing bracket is connected to the swing, it cannot be detached.
3. Connect the assembled swing to the swing archway. You will hear a “click” sound to indicate the pieces are secure.

4. Insert the tree accessory into the corner tree track. You will hear a “click” sound to indicate the pieces are secure. Once the tree is connected to the 90 degree corner tree track, it cannot be detached.

You are now ready to play! Connect the track pieces together or you can use them to connect other Go! Go! Smart Animals™ and Go! Go! Smart Wheels® playsets (each sold separately).

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.

2. Keep the unit out of direct sunlight and away from any direct heat source.

3. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.
**TROUBLESHOOTING**
