

# V. SMILE POCKET™ CAR ADAPTOR

## INSTRUCTIONS

Thanks you for purchasing the V.Smile Pocket™ Car Adaptor. Be sure to read and follow all instructions carefully before using this product.

Plug this end into the DC Power Jack of your V.Smile Pocket.

Plug this adaptor connector into your car's cigarette lighter socket.

### Adaptor's technical specifications:

Input Voltage = 12V/24 DC  
Output Voltage = 9V DC  
Max Current = 300mA  
Polarity : + ⊖ -

NOTE: The V.Smile Pocket™ Car Adaptor does not charge the batteries in your Pocket. It simply powers your Pocket, so that you do not waste your batteries.

## CARE & MAINTENANCE

### Important Safety Instructions

1. SAVE THESE INSTRUCTIONS - This manual contains important safety and operating instructions for V.Smile Pocket™ Car Adaptor.
2. Before using car adaptor, read all instructions and cautionary markings on car adaptor.
3. Do not expose the car adaptor to rain, moisture, or snow.
4. Use of an attachment not recommended or sold by the car adaptor manufacturer may result in a risk of fire, electric shock, or injury to persons.

5. To reduce risk of damage to the adaptor and cord, pull by adaptor connector rather than cord when disconnecting adaptor.
6. Make sure cord is positioned so that it will not be stepped on, tripped over, or otherwise subjected to damage or stress.
7. Do not operate car adaptor with damaged cord - replace it immediately.
8. Do not operate car adaptor if it has received a sharp blow, been dropped, or otherwise damaged in any way.
9. To reduce risk of electric shock, unplug adaptor before attempting any maintenance or cleaning. Turning off controls will not reduce this risk.

Adult Supervision Required.

## TECHNICAL SUPPORT

If you have a problem that cannot be solved by using this manual, we encourage you to visit us online or contact our Consumer Services Department with any problems and/or suggestions that you might have. A support representative will be happy to assist you. Before requesting support, please be ready to provide or include the information below:

- The name of your product or model number (the model number is typically located on the back or bottom of your product).
- The actual problem you are experiencing.
- The actions you took right before the problem occurred.
