Dear Parent:

*Ever notice the look on your baby's face when they learn something new through their own discovery? These self-accomplished moments are a parent's greatest reward. To help fulfill them, VTech® created the **Infant Learning**, series of toys.*

*These unique interactive learning toys directly respond to what children do naturally – play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s **Infant Learning** toys develop baby's mental and physical abilities by inspiring, engaging and teaching.*

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®

INTRODUCTION

Thank you for purchasing the **VTech® Dial & Discover Phone™** learning toy!

The **VTech® Dial & Discover Phone™** is an electronic phone for toddlers 6 months and up. Ten brightly colored light-up buttons teach a variety of learning activities including numbers, shapes, colors and sounds. Scroll through the screens to change the button responses and chat with your new friends. The role-play mode encourages baby to call mommy, daddy, and others! Fun phrases and sounds add to the magic of this phone. Who knows whom baby will call next?

INCLUDED IN THIS PACKAGE

- One VTech® Dial & Discover Phone™ learning toy
- One instruction manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the unit. Use a coin or screwdriver to loosen the screw.
3. Install 2 new "AA" size (UM3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure the battery cover.

BATTERY NOTICE

- Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
- Do not mix old and new batteries.
- Do not use batteries of different types.
- Remove batteries from the equipment when the unit will not be used for an extended period of time.

- Do not dispose of batteries in fire.
- Do not attempt to recharge ordinary batteries.
- The supply terminals are not to be short-circuited.
- Only batteries of the same and equivalent type as recommended are to be used.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

PRODUCT FEATURES

1. ON/OFF SWITCH

To turn the unit **ON**, slide the **ON/OFF SWITCH** to the **ON** (☀) position. To turn the unit **OFF**, slide the **ON/OFF SWITCH** to the **OFF** (●) position.

2. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Dial & Discover Phone™** learning toy will automatically power down after approximately 20 seconds without input. The unit can be turned on again by pressing any button.

3. MODES OF PLAY

The three modes of play include numbers, colors and shapes and role-play. Press the phone button to scroll through the three screen images to select a mode.

ACTIVITIES

1. Slide the **on/off switch** to turn the unit on. You will hear a friendly greeting in English, Spanish and French followed by a song. The lights will flash with the sound.

2. Press the **phone button** to scroll through the three screens to select a mode of play. You will hear a fun phrase related to the selected mode. The lights will flash with the sound.

3. Press the **number buttons** to hear numbers one to nine identified in the number mode, colors and shapes in the colors and shapes mode and a variety of phrases and music in the role-play mode. The lights will flash with the sound.

4. Press the **heart/zero button** to call the operator when in the number or role-play mode. In the colors and shapes mode, you will hear the color and shape of the button identified. The lights will flash with the sound.

5. Press the **star button** to hear random phone sounds or hear the color and shape identified, depending on the selected mode. The lights will flash with the sound.

6. Press the **moon button** to hear a song, a variety of melodies or the color and shape identified, depending on the selected mode. The lights will flash with the sound.

MELODY LIST

1. Ring Around the Rosy
2. Jack and Jill
3. Lavender's Blue
4. Pop! Goes the Weasel
5. Row, Row, Row Your Boat

SUNG SONG LYRICS (to the tune of This Old Man)

Call your friends, mommy too.

You can ask "How do you do?"

With a ring-ring-ring-a-ding,

Say hello today,

Ask your friends to come and play.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

For information on this product warranty, please call **VTech**® at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada.

IMPORTANT NOTE:

Creating and developing **Infant Learning** products is accompanied by a responsibility that we at **VTech**® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRABLE OPERATION.

THIS CLASS B DIGITAL APPARATUS COMPLIES WITH CANADIAN ICES-003.
CET APPAREIL NUMÉRIQUE DE LA CLASSE B EST CONFORME À LA NORME NMB-003 DU CANADA.
