Dear Parent:

*Ever notice the look on your baby's face when they learn something new through their own discovery? These self-accomplished moments are a parent's greatest reward. To help fulfill them, VTech® created the **Infant Learning** series of toys.*

*These unique interactive learning toys directly respond to what children do naturally - play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s **Infant Learning** toys develop baby's mental and physical abilities by inspiring, engaging and teaching.*

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®

INTRODUCTION

Thank you for purchasing the **VTech® Turn-A-Word Apple™** learning toy!

The **VTech® Turn-A-Word Apple™** is an interactive learning toy for toddlers 12 months and up. Spin the blocks and start learning! Each block teaches letters, colors, animals, sounds and silly sentences. The brightly colored graphics help reinforce the learning with printed letters and characters related to the silly sentences. The friendly insect characters play fun sounds, sing the alphabet song and encourage your child to find animals.

INCLUDED IN THIS PACKAGE

- One VTech® Turn-A-Word Apple™ learning toy
- One instruction manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.
