Dear Parent,

Ever notice the look on your baby’s face when they learn something new through their own discovery? These self-accomplished moments are a parent’s greatest reward. To help fulfill them, VTech® created the Infant Learning® series of toys.

These unique interactive learning toys directly respond to what children do naturally – play! Using innovative technology, these toys react to baby’s interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®’s Infant Learning® toys develop baby’s mental and physical abilities by inspiring, engaging and teaching.

At VTech®, we know that a child has the ability to do great things. That’s why all of our electronic learning products are uniquely designed to develop a child’s mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your friends at VTech®

1. Rotate the packaging locks 90 degrees counter-clockwise.
2. Pull out the packaging locks.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the bottom of the unit. Use a coin or a screwdriver to loosen the screw.
3. Install 2 new AAA (AM-4/LR03) batteries following the diagram inside the battery.
(The use of new alkaline batteries is recommended for maximum performance.)

4. Replace the battery cover and tighten the screw to secure the battery cover.

**BATTERY NOTICE**

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

**PRODUCT FEATURES**

1. **OFF/VOLUME CONTROL**

   To turn the unit on, slide the **OFF/VOLUME CONTROL** to the ( ) LOW VOLUME or ( ) HIGH VOLUME position. To turn the unit OFF, slide the **OFF/VOLUME CONTROL** to the ( ) OFF position.
2. **AUTOMATIC SHUT-OFF**

To preserve battery life, the VTech® Bear’s Baby Laptop™ will automatically power-down after approximately 30 seconds without input. The unit can be turned on again by pressing any button or moving the mouse.

**ACTIVITIES**

1. Slide the **off/volume control** to turn the unit on. You will hear a short tune, a song and a phrase. The lights will flash with the sound.

2. Open or close the laptop to play peek-a-boo. The lights will flash with the sound.

3. Press the **shape buttons** to learn colors, shapes and numbers. The lights will flash with the sound.

4. Press the **light-up buttons** to learn about shapes and objects and hear fun sing-along songs. The lights will flash with the sound.

5. Roll the **roller ball** to hear a variety of melodies or a sing-along song. The lights will flash with sound.
7. Move the **mouse** to hear a variety of playful questions. The lights will flash with sound.

### MELODY LIST
1. Twinkle, Twinkle Little Star
2. Skip to My Lou
3. A-Tisket, A-Tasket
4. Hickory Dickory Dock
5. Pease Porridge Hot
6. Old MacDonald Had a Farm
7. Hey Diddle Diddle
8. Row Row Row Your Boat

### SONG LYRICS

#### SONG 1
Are you ready to learn?
Are you ready to sing?
Hip, hip, hooray!
I’m ready to play.

#### SONG 2
Hey diddle diddle,
The cat and the fiddle,
The cow jumped over the moon.
SONG 3
Bounce, bounce, bounce the ball,
Bounce it way up high!
Bounce it low or side to side,
Bouncing all around.

CARE & MAINTENANCE
1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING
If for some reason the program/activity stops working or malfunctions, please follow these steps:
1. Please turn the unit OFF.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit ON. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

For information on this product’s warranty, please call VTech® at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada.
IMPORTANT NOTE:
Creating and developing Infant Learning® products is accompanied by a responsibility that we at VTech® take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, with any problems and/or suggestions that you might have. A service representative will be happy to help you.

FCC Information:
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la Classe B est conforme à la norme NMB-003 du Canada.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.
