Dear Parent,

At VTech®, we know how important the first day of school is for your child. To help prepare preschoolers for this important event, VTech® has developed the Preschool Learning™ series of interactive toys.

Preschool Learning™ features fun characters and inviting school themes that use technology to capture a child's attention and teach important preschool skills like spelling, counting and the alphabet. These vital skills are taught in a way that's both fun and highly engaging to maintain a child's interest. Children will also be introduced to fun school subjects such as art class, music class and even recess! With Preschool Learning™, learning is fun from day one!

At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your friends at VTech®

GETTING STARTED

PRODUCT ASSEMBLY

To ensure your child’s safety, this product should only be assembled by an adult.

HOW TO ASSEMBLE THE STROLLER

1) Select a leg with wheel and insert it into the piece with the flower knob and bow-shaped transformation button. Using the flower as a guide, attach the legs to the side of the bassinet with the piano keys. Be sure to match the pegs on the legs to the holes in the side of the bassinet. Rotate the flower knob to the right to secure legs tightly to the stroller.

2) Insert the remaining leg into the other piece with the flower knob. Using the flower as a guide, attach the legs to the other side of the bassinet making sure to match the pegs on the legs to the holes in the side of the bassinet. Rotate the flower knob to the right to secure the legs tightly to the stroller.
HOW TO INSTALL THE ROLLER HANDLE TO THE STROLLER

Push the ends of the roller handle into the stroller until it is snug.

ACTIVITIES

Activity 1: Stroller Mode

Take the baby doll for a walk to pretend places like the farm, park and neighborhood. When you push the stroller, you will hear environmental sounds from that particular location. For example, hear a cow on the farm. Press the Music and Story Buttons to hear interesting phrases and melodies that relate to the three locations.

Press the Number Piano Keys to hear 6 songs.
Sing-along to the classic ABC song and original tunes about colors and places:

SONG LYRICS

Let’s sing a song
As we stroll along,
About the rainbow colors:
They are red, orange, yellow and blue,
Indigo and violet, too!

Primary colors are red, yellow and blue.
There are lots of other colors, it’s true.
Orange, purple and green, to name a few!

Let’s walk to the park,
Where we’ll run and swing.
Monkey bars and balance beams,
Race you down the slides.

Farm, farm animals
Make lots of sounds and squawks.
Cows, they moo, and chickens, they bawk,
And the farmers, they whistle all day.

Today is a great day for a stroll.
Pushing the stroller, we’re on a roll.
The sun shines bright, the air is sweet.
Listen to the sounds and the birdies tweet.
Activity 2: High Chair Mode

Enjoy spinning the food in the Bowl during the baby doll’s mealtime. Turn the Book Page to learn about different foods and nutrition. Healthy habits remind you how to take good care of the baby doll.

Activity 3: Bassinet Mode

Press the Music Button to soothe the baby to sleep with 20 familiar lullabies. Press the Story Button to hear classic nursery rhymes. The Number Piano Keys introduce numbers and counting, and also allow you to play each lullaby note-by-note.
