Instruction Manual

SWITCH & GO®

PTERODACTYL DRAGSTER

INTRODUCTION

Switch into fun with the **Switch & Go® Pterodactyl Dragster**. Transform this agile Pterodactyl into speedy race car and back in just a few simple steps. 60+ sounds and phrases, cool LED effects and an animated LCD screen bring the action to life in your very own dino universe.

Power Switch (with Low/
High Volume Selector)

INCLUDED IN THE PACKAGE

- **Switch & Go® Pterodactyl Dragster**
- Quick Start Guide

WARNING

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please save this manual as it contains important information.

ATTENTION

Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes, cordons et vis d'emballage. Ils ne font pas partie du jouet.

NOTE

Il est conseillé de sauvegarder ce manuel d'utilisation car il comporte des informations importantes.

GETTING STARTED

Exit Try-Me Mode:

To exit try-me mode, need to wake up the unit first, then transform from Dino mode to Vehicle Mode. Normal play mode will then proceed.

WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

ATTENTION :

Les piles ou accumulateurs doivent être installés par un adulte.

Tenir les piles ou accumulateurs hors de portée des enfants.

Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Locate the battery cover on the bottom of the unit. Use a screwdriver to loosen the screw and then open the battery cover.
3. If a used batteries is present, remove this batteries from the unit by pulling up on one end of the battery.
4. Install 2 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended).
5. Replace the battery cover and tighten the screw to secure.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries (if removable) from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

IMPORTANT : INFORMATIONS CONCERNANT LES PILES

Les piles fournies avec le produit permettent de tester le jouet en magasin mais ne sont pas des piles longue durée.

- Mettre en place les piles ou les accumulateurs en respectant les polarités + et –.
- Ne pas mélanger des piles ou des accumulateurs neufs avec des usagés.
- Ne pas mélanger différents types de piles : alcalines, zinc-carbone et rechargeables.
- Seules des piles du type recommandé doivent être utilisées.
- Ne pas mettre les bornes d'une pile ou d'un accumulateur en court-circuit (en reliant directement le + et le –).
- Retirer les piles ou les accumulateurs en cas de non-utilisation prolongée.
- Enlever les piles ou les accumulateurs usagés du jouet.
- Ne les jeter ni au feu ni dans la nature.

PILES RECHARGEABLES :

- Enlever, lorsque c'est possible, les accumulateurs du jouet pour les recharger.
- Les accumulateurs ne doivent être chargés que sous la surveillance d'un adulte.
- Ne pas tenter de recharger des piles non rechargeables.

HOW TO SWITCH

1. Begin in Dino mode.

2. Flip the Dino's feet backward.

3. Swing the wings down so that they are parallel to the unit.

4. Close the dino's beak.

5. Flip the black hood pieces on the underside of the wings outward.

6. Flip the wing tips forward.

7. Fold the wings in, then push them down.

8. Snap the wings' side panels down and swing the legs forward.

9. The unit is now in Vehicle mode.

PRODUCT FEATURES

1. Power Switch

To turn the unit On or to adjust the volume, slide the switch to the Low or High Volume position. To turn the unit Off, slide the switch to the Off position.

2. Head Button

In Dino mode, press the Head Button to learn fun Dino facts and cool dinosaur sounds. A light projection will accompany the response. In the Vehicle mode, press the Head Button to hear fun phrases and great vehicle sounds.

3. Action Button

Press the Action Button to hear cool sound effects.

4. LCD Screen

The **LCD Screen** shows dino eye animations in Dino mode and shows driver animations in Vehicle mode.

5. LED Lights

The LED Lights flash along with the sounds in Dino mode and Vehicle mode.

6. Automatic Shut-off

To preserve battery life, **Switch & Go® Pterodactyl Dragster** will automatically power down after several seconds without input. The unit can be turned on again by pressing the **Head Button** or **Action Button**. The unit will also automatically turn off when battery power is very low.

Notes: If the unit repeatedly powers down or has abnormal responses when the unit is switched on, please insert new batteries and try switching it on again.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to use again.
5. If the unit still does not work, replace with a new set of batteries.

IMPORTANT NOTE:

If the problem persists, please call our **Consumer Services Department** at **1-800-521-2010** in the U.S., **1-877-352-8697** in Canada, or visit our website **vtechkids.com** and fill out our **Contact Us** form located under the **Customer Support** link. Creating and developing VTech products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
