#### Dear Parent,

At VTech® we know that a child's imagination is a truly wonderful thing and needs to be developed and nurtured. That's why we created the Winnie the Pooh electronic learning series $^{\text{TM}}$  of interactive learning toys to stimulate children's imaginations, while also teaching vital preschool concepts such as the alphabet, numbers, shapes, colors and objects.

Through the use of unique technology and engaging child-directed roleplay scenarios, Winnie the Pooh characters magically come to life to guide children through learning activities. These engaging characters foster children's critical reasoning skills, enhance their fine motor skills and engage them in exciting role-play activities for endless hours of learning fun.

At VTech® we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow!

Sincerely,

Your Friends at VTech®

### INTRODUCTION

Thank you for purchasing the VTech® Play 'n Learn Pooh!

This interactive Winnie the Pooh toy will delight and entertain your little one as they are introduced to shapes, numbers, sounds and music with their favorite friend Pooh! Press the light-up music button to hear cheerful melodies and sing-along songs. Your child will develop important motor skills and be stimulated by bright colors, a flashing light, fun sounds and different textures. Convenient attachment strap makes Pooh easily portable!

#### INCLUDED IN THIS PACKAGE

- One VTech® Play 'n Learn Pooh
- One User's Manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

# **GETTING STARTED**

#### **BATTERY INSTALLATION**

- 1. Make sure the unit is turned OFF.
- Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.
- Install 2 new "AAA" (LR03/AM-4) batteries following the diagram inside the battery box.
- 4. Replace the battery cover and tighten the screw to secure.

#### **BATTERY NOTICE**

- Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
- Do not mix old and new batteries.
- Do not mix batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Remove the batteries from the equipment when the unit will not be used for an extended period of time.

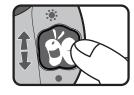

- Always remove exhausted batteries from the equipment.
- Do not dispose of batteries in fire.
- Do not attempt to recharge ordinary batteries.
- The supply terminals are not to be short-circuited.
- Only batteries of the same and equivalent type as recommended are to be used.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

# PRODUCT FEATURES

#### 1. ON/OFF SWITCH

To turn the unit **ON**, slide the **ON/OFF SWITCH** to the **ON** (:•) position. To turn the unit **OFF**, slide the **ON/OFF SWITCH** to the **OFF** (•) position.

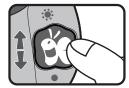

#### 2. AUTOMATIC SHUT-OFF

To preserve battery life, the VTech® Play 'n Learn Pooh will automatically power-down after approximately 30 seconds without input. The unit can be turned on again by pressing any button.

### **ACTIVITIES**

 Slide the ON/OFF SWITCH to turn the unit ON. You will hear a cute song and encouraging phrase. The light will flash with the sounds.

Press the **PIGLET BUTTON** to hear fun phrases about Piglet, a sound and a short tune. The light will flash with the sounds.

Press the TIGGER BUTTON to hear fun phrases about Tigger and a bouncing sound. The light will flash with the sounds.

 Press the SHAPE / NUMBER BUTTONS to hear the number or shape identified, fun sounds and short tunes. The light will flash with the sounds.

 Press the MUSIC BUTTON to hear cute sung songs or cheerful melodies. Press the SHAPE / NUMBER BUTTONS while a melody is playing to jam in the related sounds. The light will flash with the sounds.

 After a few seconds of no input, Pooh will ask you to find a shape. Press the correct SHAPE / NUMBER BUTTON to hear a rewarding sound and phrase.

### MELODY LIST

- Hey Diddle Diddle
- 2. Pop! Goes the Weasel
- 3. Little Miss Muffet
- 4. Ring Around the Rosy
- 5. Humpty Dumpty
- 6. The Wheels on the Bus

# **SONG LYRICS**

### SONG 1

Today's a wonderful day, To learn together and play. There are shapes and numbers too, For Tigger, Piglet and you!

# SONG 2

Let's play together all day long, While we sing this happy song.

#### **CARE & MAINTENANCE**

- 1. Keep the unit clean by wiping it with a slightly damp cloth.
- Keep the unit out of direct sunlight and away from any direct heat source.
- Remove the batteries when the unit will not be in use for an extended period of time.
- Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

# **TROUBLESHOOTING**

If for some reason the program/activity stops working or malfunctions, please follow these steps:

- Please turn the unit OFF.
- 2. Interrupt the power supply by removing the batteries.
- 3. Let the unit stand for a few minutes, then replace the batteries.
- 4. Turn the unit **ON**. The unit should now be ready to play again.
- 5. If the product still does not work, replace with a new set of batteries.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, and a service representative will be happy to help you.

#### IMPORTANT NOTE

Creating and developing **electronic learning Winnie the Pooh** products is accompanied by a responsibility that we at **VTech**<sup>®</sup> take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada with any problems and/or suggestions that you might have. A service representative will be happy to help you.

#### Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Caution: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
