

Go! Go! Smart Wheels® Press & Race™ SmartPoint® Vehicle Parent's Guide

BATTERY INSTALLATION

1. Make sure the unit is turned **Off**.
2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.
3. Install 1 new AAA (AM-4/LR03) battery following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

WARNING: All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE: Please keep this parent's guide as it contains important information.

ATTENTION: Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes et vis d'emballage. Ils ne font pas partie du jouet.

NOTE : Il est conseillé de conserver ce guide des parents car il comporte des informations importantes.

Unlock the packaging locks:

- ① Turn the packaging lock counter-clockwise several times.
- ② Pull out and discard the packaging lock.

2

WARNING: For your child's safety, do not press and release the vehicle on clothing, body or hair.

BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

PRODUCT FEATURES

1. ON/OFF SWITCH

To turn the unit **On**, slide the **On/Off** switch to the **On**  position. To turn the unit **Off**, slide the **On/Off** switch to the **Off**  position.

2. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Go! Go! Smart Wheels® Press & Race™** vehicle will automatically power down after approximately 60 seconds without input. The vehicle can be turned on again by pressing the **Action** or **Light-Up** buttons, pressing down on the vehicle, pushing the vehicle quickly or by placing it on a **SmartPoint®** location.

NOTE: This product is in Try-Me mode in the packaging. After opening the package,

turn the vehicle off and on again to proceed with normal play. If the unit powers down while playing, we suggest changing the battery.

NOTE : Ce produit est actuellement en mode démonstration. Une fois déballé, veuillez éteindre puis remettre en marche ce jouet pour activer toutes ses fonctionnalités.

ACTIVITIES

1. Slide the **On/Off** switch to turn the unit **On**. You will hear sounds, a song and a phrase. The light will flash with the sounds.

2. Press the **Light-Up** button to hear sounds, songs and phrases. The light will flash with the sounds.

3. Press down on the vehicle to hear fun sounds and phrases. Release the vehicle to watch it roll forward on its own. The light will flash with the sounds.

4. Push the vehicle to hear fun sounds. If a melody is already playing, push the vehicle to add fun sounds on top of the melody. The light will flash with the sounds.

Note: For optimal performance, we recommend using **Press & Race™** vehicles on smooth, flat surfaces or **Go! Go! Smart Wheels®** tracks (sold separately).

3

5. **Press** the **Action** button on the side of the vehicle to activate a mechanical feature and hear a fun sound. **Press and hold** the button to hear fun sound effects and phrases. **Press** the button continuously to trigger a short tune with a sound effect.

6. For added fun, the vehicle interacts with most **Go! Go! Smart Wheels®** playsets. Simply roll or place the vehicle over one of the **SmartPoint®** locations to see the light flash and to hear greetings, fun sounds, short tunes and sing-along songs. (Each playset is sold separately.)

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the battery when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the battery.
3. Let the unit stand for a few minutes, then replace the battery.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new battery.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, or by going to our website at vtechkids.com and filling out our Contact Us form located under the Customer Support link. A service representative will be happy to help you.

IMPORTANT NOTE:

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada, or by going to our website at vtechkids.com and filling out our Contact Us form located under the Customer Support link with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES. OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS: (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRE OPERATION.
