THE LEARNING APP TABLET

# InnoTAB®

Dear Parent,

At **VTech**®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your kids feel the same way. With that in mind, we developed **InnoTab**®, our first multi-function tablet just for kids that brings all the magic of Mom's and Dad's tablets into a fun-filled learning experience that fits their active lifestyles.

**InnoTab**® is the next generation of learning toys for children that has a rich library of cartridge software with interactive animated e-books, learning games, creative activities along with a wide variety of additional apps. It features a 5" brilliant color LCD touch screen, a tilt-sensor for game control, as well as a USB port for downloads, SD card slot for memory expansion and a headphone jack, all housed in a sleek, durable and compact design for easy portability.

When playing with **InnoTab**®, kids can look, listen, touch, and tilt their way through activities to discover a world of fun whenever they want and wherever they go. Through interactive play, your child will develop skills in reading, math, social studies, science, music, creativity, and more—which we know is important to you.

At **VTech**®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at **VTech**®

## Reading

### Index Page

After touching the e-book icon, you will see an index page. You can start the story from the beginning or choose any page to start reading.

If you want to learn more about playing with the e-book, touch **How to Play**. You can also switch the e-book's vocabulary word highlights on or off by touching the **Vocabulary Highlight On/Off** icon.

### Story Page

In each story page, touch anywhere on the screen to stop the story narration and enter **Free Play**. When the story narration has finished, you will enter **Free Play** mode automatically.

In **Free Play**, you can touch the words one by one to read the story at your own pace, touch highlighted vocabulary words to hear their definitions, or touch images in the art to see animations and hear fun voices and sounds. If you don't touch the screen for a while, the story narration will continue automatically to the next page.

Click the screen left or right to play the previous or next page.

To listen to the story narration again, touch the **Replay** icon  on the screen. To go back to the index page, touch the **Index** icon  on the screen.

## Learning Games

### Kingly Booty Dance

A heatwave is sweeping the zoo and King Julien isn't happy. He wants some rain, and soon.

Commence Operation: Kingly Booty Dance. Follow the sequences and help King Julien complete his rain dancing. Collect the much needed fruit smoothies along the way to help give him energy.

**Curriculum:** Memory / Body parts / Fruits

### Puzzled Penguins

The Penguins want to sneak out of the zoo for a little fun, but Alice is watching them on the TV monitor.

Commence Operation: Puzzled Penguins. Put together pictures that will fool Alice into thinking she is seeing them on her monitor. The catch is that the pictures have pieces that are in the wrong place. Solve the puzzles before Alice wakes up and notices they are fake pictures.

**Curriculum:** Puzzles / Logic

## Go Fish

The Penguins are tired of eating fake fish biscuits, and they want some real fish.

Commence Operation: Go Fish. Fling Private at the local seagulls passing by and try to knock their fish to Rico. Catch as many fish as you can, and then help feed them to the hungry Penguins.

**Curriculum:** Counting / Addition

## Creativity

### Slip Sliding

The Penguins want to have some fun. But just sliding on the ice isn't enough of a challenge. They want to create an ice obstacle course. Help the Penguins make tracks to slide on by dragging different objects onto the ice.

**Curriculum:** Creativity

### Cool Creations

Help the Penguins make some cool new inventions in their workshop. Create fast cars, wild flying machines, and wacky boats. Choose from a variety of objects to customize your vehicle, and then watch it come to life!

**Curriculum:** Creativity

# CARE & MAINTENANCE

1. Keep the **InnoTab**® cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. **NEVER** try to dismantle it.
4. Always keep the **InnoTab**® cartridge away from water.

## WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colors or patterns. While **InnoTab**® **The Learning App Tablet** does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your physician. Please note that focusing on an LCD screen at close range and handling touch screen or g.sensor controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

## TROUBLESHOOTING

Please note that if you try to insert or remove an **InnoTab**® cartridge without first turning the unit **OFF**, you may experience a malfunction. If this happens, and the unit does not respond to pressing the **ON/OFF** buttons, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.
