**Dear Parent,**

At **VTech**<sup>®</sup> we know how important the first day of school is for your child. To help prepare preschoolers for this important event, **VTech**<sup>®</sup> has developed the **Preschool Learning** series of interactive toys.

**Preschool Learning** features fun characters and inviting school themes that use technology to capture a child's attention and teach important preschool skills like spelling, counting and the alphabet. These vital skills are taught in a way that's both fun and highly engaging to maintain a child's interest. Children will also be introduced to fun school subjects such as art class, music class and even recess! With **Preschool Learning**, learning is fun from day one!

At **VTech**<sup>®</sup> we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting **VTech**<sup>®</sup> with the important job of helping your child learn and grow!

Sincerely,

Your Friends at **VTech**<sup>®</sup>
