Block Recognition Slot
Insert the blocks to learn letters A-Z

Ultimate Alphabet Activity Cube™

Developmental Benefits

- Discovery & Exploration**
 - Five sides of learning introduce a variety of ways to play and encourage discovery and exploration.
- Motor Skills**
 - Pressing, sliding, twisting, turning and building develop motor skills.
- Language Development**
 - 13 double-sided letter blocks promote letter recognition and introduce letters through songs, phrases and repetition.
 - Shape buttons teach numbers, colors, shapes and animals.
- Cause & Effect**
 - Dropping the blocks down the chute or putting the blocks into the recognition slot promote cause and effect relationships.

WARNING:
All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

ATTENTION !
Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches et étiquettes. Ils ne font pas partie du jouet.
