V. SMILE™

ALPHABET PARK ADVENTURE

User's Manual

Dear Parent,

At **VTech®**, we know that every year, children are asking to play video games at younger and younger ages. At the same time, we understand the hesitation of most parents to expose their children to the inappropriate content of many popular video games. How can you feel confident in allowing your children to play these games, and still educate and entertain them in a healthy, age-appropriate manner?

Our solution to this on-going debate is the **V.Smile™ Learning System** - a unique video game system created especially for children aged 3 to 8. The **V.Smile™ Learning System** combines a kid-friendly design, age-appropriate curriculum, entertaining graphics, and fun game play into a unique experience that your child will love and you can support. The **V.Smile™ Learning System** engages your child with three modes of play: the Learning Adventure - an exciting exploratory journey in which learning concepts are seamlessly integrated, the Learning Zone - a series of games designed to focus on specific school skills in a fun, engaging way, and the Sing Along - a collection of songs for children to sing using the system's attached microphone. All of these educational modes offer your child hours of learning fun.

As part of the **V.Smile™ Learning System**, **VTech®** offers a library of game Smartridges™ based on popular children's characters that engage and encourage your child to play while learning. The library is organized into three levels of educational play - Early Learners (ages 3-5), Junior Thinkers (ages 4-6) and Master Minds (ages 6-8) - so that the educational content of the system grows with your child

At **VTech®**, we are proud to provide you with a much-needed solution to the video game dilemma, as well as another innovative way for your child to learn while having fun. We thank you for trusting **VTech®** with the important job of helping your child explore a new world of learning!

Sincerely,

Your Friends at **VTech®**

H-I-J-K-L-M-N-O-P

Q-R-S-T-U-V

W-X-Y AND Z

Now, I know my ABCs.

Next time, won't you sing with me?

Mary Had a Little Lamb

Mary had a little lamb,

Little lamb, little lamb.

Mary had a little lamb,

Its fleece was white as snow.

Row, Row, Row Your Boat

Row, row, row your boat

Gently down the stream.

Merrily, merrily, merrily, merrily,

Life is but a dream.

Old MacDonald Had a Farm

Old MacDonald had a farm, E-I-E-I-O.

And on his farm, he had a cow, E-I-E-I-O.

With a "moo-moo" here, and a "moo-moo" there,

Here a "moo," there a "moo,"

Everywhere a "moo-moo."

Old MacDonald had a farm, E-I-E-I-O.

Falling down, falling down.

London Bridge is falling down,
