Dear Parent,

At **VTech**[®], we know that a child's imagination is a truly wonderful thing and needs to be developed and nurtured. That's why we created the **Winnie the Pooh**[®] electronic learning series of interactive learning toys to stimulate children's imaginations, while also teaching vital preschool concepts such as the alphabet, numbers, shapes, colors and objects.

Through the use of unique technology and engaging child-directed role-play scenarios, **Winnie the Pooh**[®] characters magically come to life to guide children through learning activities. These engaging characters foster children's critical reasoning skills, enhance their fine motor skills and engage them in exciting role-play activities for endless hours of learning fun.

At **VTech**[®], we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting **VTech**[®] with the important job of helping your child learn and grow!

Sincerely,

Your Friends at **VTech**[®]

ACTIVITIES

1. LETTER SOUNDS

Press the **LETTER BUTTONS** to hear the letter and its sound identified.

Press the **LETTER BUTTONS** again to hear the letter and related word. See the corresponding animations on the screen. Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen.

2. LETTER ORDER

You will be given a sequence of 3 letters in alphabetical order with one letter missing. Complete the sequence by pressing the correct **LETTER BUTTON**. You will hear hints to help you answer so listen carefully! Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen.

3. WHAT IS IT?

A picture will appear on the screen and be identified. Different words will scroll across the bottom of the screen. Select the word that matches the picture by pressing the **ARROW ENTER BUTTON** when your answer appears on the screen. You can also use the **LETTER BUTTONS** to answer. Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen.

4. SPELLING

A word and picture will be shown on the screen. Then, the picture will disappear and the letters will be scrambled and shown in balloons. Press the **LETTER BUTTONS** to spell the word correctly. Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen.

5. COUNTING

A number of objects will be shown on the screen. Count the objects and press the correct **NUMBER BUTTON** to answer. Press the **LETTER BUTTONS** to hear the letter identified and the corresponding animation shown on the screen.

6. ADDITION & SUBTRACTION

An equation will be shown on the screen. Answer the equation by pressing the correct **NUMBER BUTTON**. Press the **LETTER BUTTONS** to hear the letter identified and the corresponding animation shown on the screen.

7. MORE OR LESS?

Tigger, Roo and Piglet will be shown on the screen with some objects. Listen carefully as Pooh asks who has either more or less. Press the correct **3D CHARACTER BUTTON** to answer. You can also use the **LETTER BUTTONS** related to the characters to answer. Press the **LETTER** and **NUMBER BUTTONS** to hear the letter or number identified and the corresponding animation shown on the screen.

8. ODD ONE OUT

Tigger, Roo and Piglet will be shown dancing on the screen. Watch carefully to see who makes a wrong move. Press the correct **3D CHARACTER BUTTON** to answer. You can also use the **LETTER BUTTONS** related to the characters to answer. Press the **LETTER** and **NUMBER BUTTONS** to hear the letter or number identified and the corresponding animation shown on the screen.

9. CHASING GAME

3 letters will be shown on the screen and identified. Help Piglet follow the butterflies by remembering the letters and pressing the corresponding **LETTER BUTTONS**. To see the letters again, just press the **REPEAT BUTTON**. Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen.

10. SHADOW MATCH

An object will be shown on the screen. Different shaped shadows will scroll across the screen next to the object. Help Piglet find his shadow by matching the object with its shadow. Select the shadow that matches the object by pressing the **ARROW ENTER BUTTON** when your answer appears on the screen. Press the **LETTER** and **NUMBER BUTTONS** to hear the letter or number identified and the corresponding animation shown on the screen.

11. MUSIC

Press the **LETTER BUTTONS** to hear the 26 melodies and see Pooh and his friends dance along with the music on the screen. Press the **NUMBER BUTTONS** to hear the number identified and the corresponding animation shown on the screen. Press the **NUMBER BUTTONS** while a melody is playing to hear sound effects jam into the music.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit onto a hard surface and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
 2. Interrupt the power supply by removing the batteries.
 3. Turn the unit **ON**. The unit will now be ready to play again.
 4. If the unit still does not work, replace with a new set of batteries.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IMPORTANT NOTE:

Creating and developing **Winnie the Pooh** electronic learning products is accompanied by a responsibility that we at **VTech**[®] take very seriously. We make every effort to ensure the accuracy of the information which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-877-352-8697 in Canada with any problems and/or suggestions that you might have. A service representative will be happy to help you.
