Dear Parent:

*At **VTech®** we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and learn to the best of their ability. Whether it's introducing numbers and letters, identifying colors and shapes, or stimulating senses with lights and music, all **VTech®** infant and toddler learning products encourage your child's natural growth and discovery skills.*

*When it comes to providing electronic learning products that enlighten, entertain and develop minds, at **VTech®** we see the potential in every child.*

INTRODUCTION

Thank you for purchasing the **VTech® Mooove 'n Count™ Cow** learning toy! We at **VTech®** are committed to providing the best possible products to entertain and educate your child. Should you have any questions or concerns, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-800-267-7377 in Canada.

The **VTech® Mooove 'n Count™ Cow** learning toy is a push toy for infants 6 months and up. Your child will enjoy learning about numbers, animals, and melodies. Watch as the cow comes to life with its moving head, moving farm animals, light up cow bell and turning wheels. The **VTech® Mooove 'n Count™ Cow** learning toy will provide your child with hours of engaging educational fun!

TURNING WHEELS

LIGHT-UP COW BELL

THREE NUMBER BUTTONS

VOLUME CONTROL SWITCH

BATTERY DOOR

INCLUDED IN THIS PACKAGE

- One **VTech® Mooove 'n Count™ Cow** learning toy
- One instruction manual

WARNING: All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.

2. Locate the battery cover on the bottom of the unit.

   Use a coin or screwdriver to loosen the screw.
3. Install 2 new "AA" (UM-3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)

4. Replace the battery cover and tighten the screw to secure the battery cover.

BATTERY NOTICE

- Install batteries correctly observing the polarity (+, -) signs to avoid leakage.
- Do not mix old and new batteries.
- Do not use batteries of different types.
- Remove exhausted or new batteries from the equipment when the unit will not be used for an extended period of time.
- Do not dispose of batteries in fire.
- Do not attempt to recharge ordinary batteries.
- The supply terminals are not to be short-circuited.

**WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.**

NOTE: If for some reason the program/activity stops working, then please follow these steps:

1. Please turn the unit **OFF**.

2. Interrupt the power supply by removing the batteries.

3. Let the unit stand for a few minutes, then replace the batteries.

4. Turn the unit **ON**. The unit should now be ready to play again.

If the problem persists, please call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-800-267-7377 in Canada and a service representative will be happy to help you.

TO BEGIN PLAY

1. Slide the **ON/OFF/MODE SELECTOR SWITCH** to the **TALKING MODE** (😊) or **MUSIC MODE** (🎵) position to turn the unit **ON**.

2. Push the cow, press the number buttons, or press the animals to begin play.

3. To adjust the volume, slide the **VOLUME CONTROL SWITCH** located on the back of the unit to the (🔉) position for **LOW VOLUME** or the (🔊) position for **HIGH VOLUME**.

4. Slide the **ON/OFF/MODE SELECTOR SWITCH** to the **OFF** (●) position to turn the unit **OFF**.
NOTE:

To preserve battery life, the **VTech® Mooove 'n Count™ Cow** learning toy will automatically turn off after several minutes without input. It can be activated again by pressing any button.
5

ACTIVITIES

TALKING MODE

1. Slide the **ON/OFF/MODE SELECTOR SWITCH** to the **TALKING MODE** (😀) position. You will hear "Let's get mooovin!". The light will flash with the sound.

"Let's get mooovin!"

2. Press the **NUMBER BUTTON** to hear number identification and the counting animal sound effect. The light will flash with the sound.

"One" + "Onik"

3. Press one of the **ANIMALS** to hear a random melody. The light will flash with the sound.

4. Push the cow to hear "Mooo" and a random melody. Push the cow at a faster speed to hear the melody play faster.

"Mooo"

6

MUSIC MODE

1. Slide the **ON/OFF/MODE SELECTOR SWITCH** to the **MUSIC MODE** (♫) position. You will hear "Mooo" followed by a short tune. The light will flash with the sound.

2. Press the **NUMBER BUTTON** to hear the animal sound effect, animal name and animal's melody. Press the **NUMBER BUTTON** while the melody is playing to hear the animal sing along with the melody. The light will flash with the sound.

3. Press one of the **ANIMALS** to hear a random melody. The light will flash with the sound.

4. Push the cow to hear "Mooo" and a random melody. Push the cow at a faster speed to hear the melody play faster.
MELODY LIST

- Old MacDonald Had a Farm
- Farmer in the Dell
- Teddy Bears Picnic
- Polly Wolly Doodle
- Mary Had a Little Lamb
- Turkey in the Straw

CARE AND MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

IMPORTANT NOTE

Creating and developing Infant/Toddler products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department at 1-800-521-2010 in the U.S. or 1-800-267-7377 in Canada with any problems and/or suggestions that you might have. A service representative will be happy to help you.

Note:

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturer's instructions, it may cause interference to radio and television reception. It has been type tested and found to comply within the limits for a Class B computing device in accordance with the specifications in Sub-part J of Part 15 FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference with radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- reorient the receiving antenna
- relocate this product with respect to the receiver
- move this product away from the receiver
